## STUDENT VOICES

**Ow Ze Fei**

Alumna, Diploma in Fashion Design

At NAFA, there are plenty of opportunities to experiment freely and express myself creatively in the process. With my lecturers as pillar of support, I learnt to accept and embrace criticism to improve my craft.

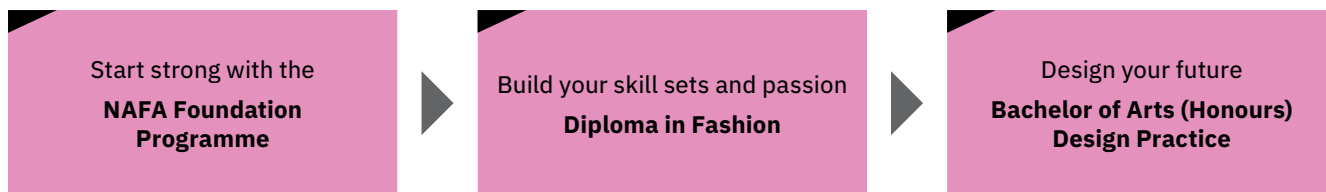

**Radha Kashyap**

Alumna, Diploma in Fashion Merchandising and Marketing

I think NAFA approaches art and design education the right way – a mix of idealism and realism. NAFA gives their students freedom to explore their own ideas but holds them accountable for the practicality of the idea, creating a good simulation of what the industry standards are.
